

VSTE TweetChat Archive – Mobile Learning Resources and Strategies – February 6, 2013

hdiblasi8:02pm via TweetDeck

RT [@timstahmer](#) Our schools are buying lots of iPads but don't really have a clear instructional vision for them. [#vstechat](#)

svallen8:02pm via web

Hard to do anything mobile in our school/district. Devices not allowed out during school hrs so can't utilize features at all [#vstechat](#)

BYODRT7:52pm via byodrt

RT [@LauraBTRT](#): [@timstahmer](#) Yes! Sharing [#byod](#) strategies can help, even if individual schools help students use devices for learning engagement! [#vstechat](#)

timstahmer7:50pm via Tweetbot for iOS

That's the tech plan of many schools & districts [@ladyvolhoops](#): [@timstahmer](#) wow! Lots of money to shell out w/o vision [#vstechat](#)

LauraBTRT7:50pm via web

[@timstahmer](#) Yes! Sharing [#byod](#) strategies can help, even if individual schools help students use devices for learning engagement! [#vstechat](#)

vste7:49pm via TweetDeck

RT [@timstahmer](#): [@LauraBTRT](#) The most powerful mobile learning tools are the ones kids have with them. We just need to learn how to leverage them. [#vstechat](#)

witchyrichy7:35pm via TweetDeck

PD on personal learning RT @kdneville: @witchyrichy@timstahmer Same problem here at district level. [#vste#vstechat](#) They just don't get it.

kdneville7:34pm via web

@witchyrichy @timstahmer Same problem here at district level. [#vste](#) [#vstechat](#) They just don't get it.

LauraBTRT7:32pm via TweetChat

@witchyrichy I provide PD for teacher iPad User Group w input from all and support through out the month as they work on projects [#vstechat](#)

kdneville7:31pm via web

@timstahmer That's the exact problem we have at the district level. @vste @vstechat They want everything standardized. Can't work.

timstahmer7:30pm via Tweetbot for iOS

Or GarageBand for the auditory types RT @kdneville: If I could only buy one app for school, it would be iMovie. [#vstechat](#)

witchyrichy7:30pm via TweetDeck

Me, tooRT @timstahmer My iPad has become an essential, personal learning tool. Our schools want another clone-able lab-able device.[#vstechat](#)

kdneville7:30pm via web

@itrt I'll have to look at that one. (play science lite app) Sounds like fun, [#vste](#) [#vstechat](#)

timstahmer7:29pm via Tweetbot for iOS

@kdneville My iPad has become an essential, personal learning tool. Our schools want another clone-able lab-able device. [#vstechat](#)

itr77:28pm via TweetChat

I love showing people you can blow on your lpad to move windmills using this free app playscience lite app [#vstechat](#)

itr77:26pm via TweetChat

My kids love the Minecraft app. They are constantly building 3D mazes and buildings. [#vstechat](#)

kdneville7:26pm via web

If I could only buy one app for school, it would be iMovie. [#vste#vstechat](#)

LauraBTRT7:25pm via TweetChat

5th Grade Students use iPads to tell what they learned while programming and building robots! goo.gl/KVZMC [#STEM#vstechat](#)

kdneville7:24pm via web

My first iPad, I didn't have a clear vision. Now I'm on my 3rd. Just dive in. Vision not always necessary. [#vste](#) [#vstechat](#)

timstahmer7:22pm via Tweetbot for iOS

@itr7 Agree there are lots of great apps for creation. I like iMovie, GarageBand and other media recording/editing tools. [#vstechat](#)

BYODRT7:22pm via byodrt

RT @kdneville: iPad Initiative MUST have admin support to be successful. Same for our BYOD project. Principals make all the difference. [#vste](#) [#vstechat](#)

kdneville7:22pm via web

Our principal says about iPads - 7:30 to 3 they belong to students. 3 - 7:30 they belong to teachers! [#vste](#) [#vstechat](#)

principalspage7:21pm via Twitter for iPad

U Need @brachsmith -"@timstahmer: Our schools R buying lots of iPads but don't really have a clear instructional vision for them. [#vstechat](#)"

LauraBTRT7:21pm via TweetChat

2nd Graders creating fabulous imovie & PuppetPals projects:goo.gl/WPZTh & goo.gl/5i5ry [#vste](#) @Tolbert_ES [#vstechat](#)

witchyrichy7:19pm via TweetDeck

@itrt I taught ms many yrs ago & the kids said they didn't need to lrn to type bc they would talk to computer...the future is NOW! #vstechat

timstahmer7:19pm via Tweetbot for iOS

@witchyrichy Little pockets of creative use but most of the iPads I see in MS & HS are in the hands of adults, not kids.#vstechat

kdneville7:19pm via web

We've had good luck with a classroom "fact checker." iPad loaded with reference apps. #vste #vstechatappolicious.com/curated-apps/1...

itrt7:19pm via TweetChat

My kids discovered Siri on my Ipad and now talk to the Ipad to open apps and now they talk to get their writing done.#vstechat

witchyrichy7:17pm via TweetDeck

Really important point @kdneville iPad Initiative MUST have admin support to be successful Principals make all the difference. #vstechat

vste7:16pm via TweetDeck

Great resources from@LauraBTRT: Teacher iPad User Group ideas...we have added a lot more this year goo.gl/ZXG1x#vstechat

kdneville7:15pm via web

iPad Initiative MUST have admin support to be successful. Same for our BYOD project. Principals make all the difference.#vste #vstechat

Teacher iPad User Group ideas...we have added a lot more this year to our professional development! goo.gl/ZXG1x#vstechat #vstechat

witchyrichy7:12pm via TweetDeck

@itrt @timstahmer Did you have a clear plan b4 adopting @itrt? How did you get to such diverse rich uses? @vstechat

kdneville7:12pm via web

More QR Code ideas: schrockguide.net/qr-codes-in-th... #vste#vstechat

itrt7:11pm via TweetChat

@timstahmer We love our Ipad...use daily for Math, creating projects using storykit, toontastic and PuppetPals. #vstechat

vste 7:11pm via TweetDeck

RT @kdneville: QR Code Ideas: [pinterest.com/jnase1/qr-code...](https://www.pinterest.com/jnase1/qr-code...) #vste #vstechat

witchyrichy 7:10pm via TweetDeck

@timstahmer Interesting...they can be powerful, affordable assistive technology devices. What's the rest of the usage like? #vstechat

witchyrichy 7:09pm via TweetDeck

@LauraBTRT @Tolbert_ES Are the teachers providing the PD? #vstechat

timstahmer 7:08pm via Tweetbot for iOS

@witchyrichy A few examples, mostly with very young kids and those with communications challenges. #vstechat

LauraBTRT 7:08pm via TweetChat

30 teachers @Tolbert_ES have joined an iPad User Group~PD monthly~ Great support from administration makes a difference! #vstechat #vstechat

witchyrichy 7:07pm via TweetDeck

RT @kdneville: We had a lot of fun today with QR codes! Teachers are feeling comfortable with creating and using them. #vste #vstechat

witchyrichy 7:05pm via TweetDeck

@timstahmer Do you see any good examples of teacher use that happen despite the lack of vision? #vstechat

timstahmer 7:05pm via Tweetbot for iOS

Our schools are buying lots of iPads but don't really have a clear instructional vision for them. #vstechat

LauraBTRT 7:04pm via TweetChat

RT @witchyrichy: Welcome to #vstechat in honor of #DLDay What are you doing w mobile devices in your school? Share your story! #vstechat

vste 7:03pm via TweetDeck

RT @LauraBTRT: Great to 2 a part of VSTE's first tweetchat! My students & teachers love using mobile devices for learning! #vstechat @Tolbert_ES #vstechat

vste 7:03pm via TweetDeck

VSTE hosts a mobile learning SIG & offers access to archived webinars vste.org/index/get_invo... #vstechat
